

VASYLI MEDICAL Product Range

VASYLI Orthotic Shock Absorber

Using high-energy shock-absorption PU and shock absorbing technology, the Vasyli Orthotic Shock Absorber gives you maximum shock-absorption during walking, running and sports. It also features a number of unique biomechanical benefits:

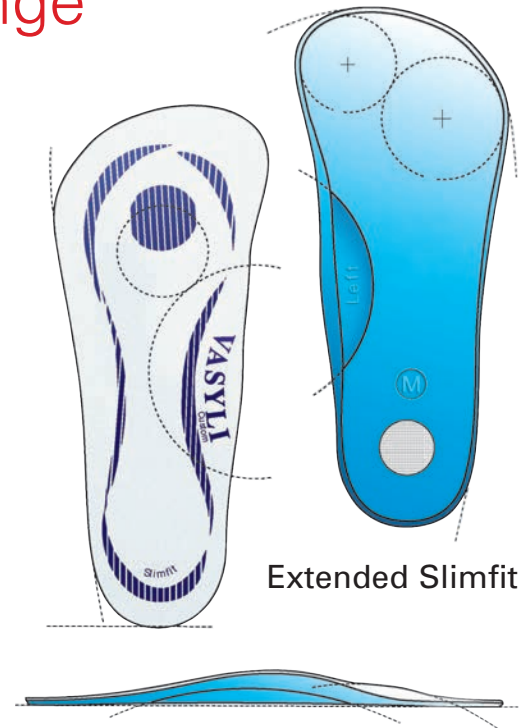

- Anatomic design to ensure 100% proprioceptive contact
- Orthotic foot support and deep heel cup, to provide mild motion control and reduce 'excess pronation'
- Built-in metatarsal raise, supporting the forefoot area

As a result, it gives your patient excellent comfort, mild biomechanical control and lasting cushioning.

Sizes: S, M, L & XL

Shock Absorber

Extended Slimfit

VASYLI Custom Slimfit

BLUE = MEDIUM DENSITY

The Vasyli Custom Slimfit is specifically designed to fit ladies shoes, such as fashion shoes and high-heels. The flexible base allows easy contouring of the shank of the shoe. The rearfoot angle is reduced to 2 degrees due to the "high heel factor" (tibio talar axis) whose action inverts the foot as the heel is raised.

Extended Slimfit
Sizes: XS, S, M and L
